To Whom It May Concern,

I am pleased to write this letter of recommendation for Brandon Washington, whom I had the privilege of supervising during our time together at Habitat for Humanity of Collin County.

Brandon consistently demonstrated a strong work ethic, creativity, and a deep commitment to the mission and success of the organization. As his direct manager, I saw firsthand his willingness to step in wherever needed and contribute as a true team player. Whether assisting with marketing initiatives, developing fundraising campaign materials, or helping strengthen community connections, Brandon approached every task with enthusiasm and professionalism.

One of Brandon's greatest strengths is his dedication to supporting organizational growth. He was always eager to share new ideas, connect our team with helpful resources, and look for opportunities that could advance the mission of Habitat for Humanity of Collin County. His creativity and collaborative spirit made him a valuable asset to our team.

Beyond his professional abilities, Brandon brought positivity, reliability, and a genuine passion for helping others to the workplace every day. I am confident he will bring the same level of dedication and excellence to any organization that is fortunate enough to work with him.

I highly recommend Brandon Washington without reservation. Please feel free to contact me if you would like any additional information.

Sincerely,
