Abebe Family Biography

It is our pleasure to introduce Meraf Abebe and her daughter Yanet Meraf Immigrated to the United States from Addis Ababa, Ethiopia in 1992. She came to north Texas by way of Washington DC in 1999.

For 13 years Meraf has been a teacher at the Eldorado Montessori School where she teaches a class of 3-6 year olds. Meraf enjoys cooking, volunteering and spending time her daughter. Together they volunteer at the Baha'i center helping with the children's class and the virtues class.

Yanet is 9 years old and is in the 4th grade. She has a calling to help people. In her mom's words, she "does not like people to be sad."

Yanet wants to become a veterinarian one day. She has a love of animals. One thing her mom shared is that she sees God in all of his creations.

Being a habitat family will take some stress off of Meraf and Yanet by providing them stable and affordable housing. We asked Meraf for quotes from her faith that she finds inspirational.

"So powerful is the light of unity that it can illuminate the world earth". "Truthfulness is the foundation of all human virtues".
